

CLASSIFICATION OF DANCERS

1. PROFESSIONAL:

A Professional Dancer is one who is any or all of the following (anyone studying for or taking a theory exam will not be deemed a professional unless they declare themselves such as defined below):

- a. Registered as a Professional with the NDCA.
- b. One who partners a Pro/Am Student Dancer or Registered Amateur in Pro/Am Competitions.
- c. Any person who declares himself or herself a Professional by word or deed (Examples: serving as a hired Partner, or participating in Professional Competitions or Team Matches).

2. AMATEUR:

a. AMATEUR: An amateur competitor competes with an amateur partner. An amateur dancer may become a professional in the following manner:

- (1) By the declaration of such
 - (2) By competing against other professionals in an NDCA sanctioned Open Professional or Rising Star event
 - (3) By acting as a professional partner in an NDCA sanctioned Pro/Amateur competition event
- b. Pre-Teen, Junior, Youth and Adult Amateur dancers must be registered with the NDCA, unless they are participating only in pro/am events.

(1) NOTE: With the exception of honor dances and formation teams, amateurs are not permitted to demonstrate at NDCA events.

3. PRO/AM STUDENT DANCER:

a. The term "Pro/Am" refers to a professional dancer/teacher dancing with their student. In this case the student will be known as a "Pro/Am Student Dancer". A Pro/Am Student Dancer competes with a professional partner.

b. A Pro/Am Student Dancer competes in Ballroom dance purely as an avocation.

c. A Pro/Am Student Dancer does not teach Ballroom dance under any circumstances. Ballroom dance is any dance that is included in any NDCA sanctioned Pro/Am competition or championship event, and is not limited to the traditional championship dances.

d. A Pro/Am Student Dancer may neither demonstrate nor give shows for compensation in any style of Ballroom dance.

e. A Pro/Am Student Dancer is permitted to enter Ballroom dance "Pro/Am Scholarship Events" which offer monetary prizes. In this case, any prize money awarded belongs to the Pro./Am Student Dancer, not to the professional, and the Pro/Am Student Dancer may decide how it is to be used.

f. Pro/Am Student Dancers who are found to be in violation of any of the above definitions, will not be permitted to continue to compete in NDCA sanctioned competitions or championships, and the organizers of all NDCA sanctioned competitions and championships will be so notified. Should the Pro/Am Student Dancer cease the activity that violated the above definitions, his or her right to compete as a Pro/Am Student Dancer in NDCA sanctioned competitions and championships may be restored upon application to the NDCA. A waiting period may or may not be required when such reinstatements are made.

***It is within the province of the Ballroom department to discipline by way of suspension and/or fines the professional partner of an amateur competing in pro/am competitions who is found to be teaching ballroom dance lessons.**
